Dear Members of ILCAC:

The Gary McCartor Fund, honoring Gary's scientific and professional leadership, was established two years ago owing to a generous donation by Gary's wife, Sheila McCartor, and donations by Gary's personal friends.

Gary was particularly keen to see that young researchers had opportunities to participate in forefront research in our field. Accordingly, up to three young researchers who work in the field defined by the mission statement of ILCAC and detailed in the White Paper, will be awarded a travel award of \$2,000 to attend Light Cone 2010 in Valencia, Spain.

It is our pleasure to invite you to nominate young researchers for "Gary McCartor Travel Award". A decision on who will be the recipients of the awards will be made by ILCAC.

Please send your email nominations (limited to 1,200 words) to us before March 20, 2010. We would like to announce the awardees by April 10, 2010 for their lead time of preparation to attend Light Cone 2010.

Best regards,

Ben Bakker (Chair)  
Chueng Ji (Vice Chair)
